# Defining Digital Vocabulary

Social Media Terms

1. **What do these terms mean to you?** In one sentence or just a few words define each of the terms below. Don't search the dictionary or other sources for the definition - try to write your own!

Audience	
Disinformation	
Viral	
Hive Mind	
Fake News	
Social Media	
Source	
Echo Chamber	

2. Discuss your definitions with your partner or group. When you're finished, write an expanded definition for each word of 2-3 complete sentences.

    a) Audience

    b) Disinformation

    c) Viral

    d) Hive Mind

    e) Fake News

    f) Social Media

    g) Source

    h) Echo Chamber

3. Put these terms into your own context and experience. Using at least 4 of the vocabulary terms above, write two or three paragraphs describing your experiences online. These can be positive, negative, or a mix of both.
